KEEPS YOU COOL

Trusted by generations for over five decades

Promise of a brighter safer tomorrow

Kent Cables- Founded by Ashoka Group is one of India's fastest growing FMEG company.

An ISO 9001:2008 marked company, it provides more than 4000 quality electrical goods under the brand names Kent, Arkaylite and Cento.

The brand name 'KENT' was launched in 1996. We began our operations with wires and cables and today we also manufacture & supply PVC conduit pipes, fans, LED lighting, Geysers, modular switches & wiring accessories, LT switchgear, distribution equipments and a varied range of electrical control and safety products.

KENT fans, launched in 2008 are manufactured in our state of the art manufacturing facility in Uttarakhand. Our uncompromising quality standards have already made us a huge success in a short span of time.

KENT is a leading organisation that believes in continuous improvements through Quality, Product Range, Competition, Workforce & Customer Support with more than 1500 channel partners and over 20,000 retail outlets all over the country.
